Gluten-Free Candy List 2011

The National Foundation for Celiac Awareness (NFCA) credits Sure Foods Living (www.surefoodsliving.com) for the creation of this resource.

NFCA's Gluten-Free Candy List should be used as a guide only. It cannot replace a thorough review of the ingredients listed in order to verify that any product is in fact, gluten-free.

NFCA and Sure Foods Living recommend double-checking product ingredients to verify its gluten-free status before eating.
